

# Have your home checked for hazards by a local charity you can trust

**Falls are the biggest cause of injury in the home amongst older people.**

**Age UK Milton Keynes is working to reduce the number of falls that people suffer every year.**

**Shenley Church End Parish Council is funding 70 home safety checks and 50 hours of handyperson services for older people in the parish.**

Age UK Milton Keynes' handypersons will check your home to identify hazards likely to cause an accident or a fall. Loose mats or rugs, poor lighting and protruding cables can all be sorted.

Aids such as handrails and grips, half steps and non-slip bath mats can be installed where necessary.

Other practical work can help ensure the dangers are minimised.

**Please ring us on 01908 557885 to see how we can help keep you safe at home.**

**Registered charity 1079773**
