31 March 2021	Response to Planning Application 21/00899/NMA – Walnut Tree Reserve Sites A & D Hindhead Knoll – to correct the Energy Statement	This is non-statutory consultation and decisions are made quickly. Response was made quickly instead of waiting until the next relevant meeting to ensure MKC had sight of it before the decision was made.	Chairman and Vice-Chairman of the Council (Cllrs Mario Toto and Adam Chapman-Ballard)	That a response be made to MKC (in summary): GUH did not inform residents that reducing the height would mean not providing renewable energy measures. Unhappy that GUH are blaming residents and WCC for this. Unhappy that GUH have decided to pay £7,741 Carbon Neutrality Contribution instead of working out how to provide energy savings for future residents.	31 March 2021
