Dear Diane

### **NEIGHBOURHOOD PLAN : WALTON COMMUNITY COUNCIL**

At an ordinary meeting of Walton Community Council on 4th December 2013 minute reference 2013/136, it was agreed that a neighbourhood plan would be developed for the whole of parish. Map showing area enclosed with this letter.

The reasons for the development of a whole of parish Neighbourhood Plan is to promote and evolve community engagement and build a sense of community in a large parish and the to influence future development both within and on our boundaries in a way that allows for the integration of new residents while ensuring provision of services and facilities that are needed to support new communities.

This is done in the knowledge that we believe we have the authority to request of yourselves, Milton Keynes Council, for the permission and support to advance with the development of a plan for the benefit of the community residents.
